Glacier National Park

Switzerland of America.

Vast Alpine meadows, ice-locked and flower-bedecked, give to Glacier National Park the majesty of scenic Switzerland. Skyland lakes, cool, clear and colorful, drink in the untamed streams tumbling from glaciers above. Modern hotels and Swiss chalets offer genuine comfort. "Glacier" is the only National Park on the main line of a transcontinental railroad. Tours by day, week or month, via motor, saddle-horse or launch. Why not walk through?

En route to North Pacific Coast; Alaska or California, visit Lake Chelan, Mt. Rainier and Crater Lake National Parks.

Write for descriptive literature and
Aeroplane Map of Glacier National
Park and Summer Tourist Fares, or
inquire of nearest ticket or tourist agent.

Surpassing the Beauties
of Switzerland

A VACATION IN YOUR HOME LAND

YOU have heard of the beauties of Switzerland and the attractions of Europe, but what do you know of the wonders and magnificence of your own home land? Are you not as much interested in America as in Europe? Spend this year's vacation in the Pacific Northwest, the World's greatest out-of-doors and you will realize what a glorious heritage is yours.

The snow-capped mountains, ocean beaches, inland seas, apple groves, primeval forests, enchanting lakes, thirty-eight golf courses, fifteen thousand miles of scenic highways, and the cool, sunny climate of Oregon, Washington and British Columbia lure you to a vacation more restful and enjoyable than can be had in any other part of the World.

Write for Free Illustrated Booklet to any commercial organization in Oregon, Washington or British Columbia, or to Herbert Cuthbert, Secretary, Pacific Northwest Tourist Association, maintained by government funds to give free information.
